

RS TURR PREMIUM

Turr Premium is an indicator of the quality for the German working gloves. It is made of elastic grain cow leather.

SCHWERINDUSTRIE

flexible cow grain leather
combines mechanical resistance and durability with comfort during working

The index finger (during working it's the most vulnerable place in this type of gloves) is trimmed with leather
provides full protection for your hand and extends the life of the gloves

genuine leather and cotton comfort
it allows skin to breathe freely

soft lining inside the glove
prevents skin abrasions during long-term working

a rubberized hardened cuff
additionally protects the forearm and allows to tuck the protective clothing sleeve in the glove
